4. [] In a conversation with Mr. William Miller, of Senator Cooper's staff, Miller mentioned in connection with our briefing of the Senator on Thursday that "some members (presumably from the North Atlantic Assembly) have challenged some of our doctrines." He specifically mentioned that Alain Enthoven and Mendel Rivers were on opposite sides. I mentioned in passing that in briefing of senators and congressmen the Agency operated under close guidelines. I said that we want to be cooperative and responsive to such requests but provided briefings to members on the basis that they would be treated as confidential.

5. [] Talked to Garner J. Cline, Counsel, House Subcommittee on Immigration and Naturalization, concerning an upcoming trip by Representative Peter Rodino (D., N.J.) to Munich some time after the elections. Cline asked if it would be possible for the employees of Radio Free Europe to present Rodino with a letter of citation for Rodino's effort in sponsoring legislation to permit the naturalization of these employees. I told Cline I would check into it and be back in touch with him. [] was informed and told me that the head of RFE would be at Headquarters on 21 October at which time we would explore the possibilities.
